FORM OF BEQUEST.

*(Inserted for the guidance of persons who are disposed to leave
Legacies for the support of the Hospital.)*

I bequeath (free of duty) to the WHITEHAVEN AND
WEST CUMBERLAND HOSPITAL, the Legacy of £
for which the receipt of the Treasurer of the said Hospital
shall be a sufficient discharge.

The Governors invite Donations for the endowment of
Beds or Cots in the Institution, viz.:—

“Donors of £1,000 shall be entitled to Endow a Bed and
Donors of £500 a Cot in perpetuity. Each Endowed
Bed or Cot shall bear a suitable inscription.”

99th ANNUAL REPORT.

The year covered by the Report is the first since we have been in the New Hospital in which every Department has been in full working order.

Details of the work done are given on page 8, from which it will be seen there has been a great increase, more particularly in the Electrical Department.

It is very satisfactory to note that the average stay of patients has been reduced by one day, which can be attributed mainly to the benefits received from electrical treatment, particularly in fracture cases.

SUMMARY OF INCOME AND EXPENDITURE.

During the year there was a very satisfactory increase in the Income. This amounted to £9,398 3s. 6d., as against £8,007 7s. 11d. last year.

The following figures show the Income for three years during which we have been in the new Hospital.

*Increase.

†Decrease compared with 1927 figures.

The receipts from Workmen's Contributions, although down by £278 12s. od. as compared with last year, are very satisfactory, taking into account the unemployment in the District.

A highly satisfactory feature of this year's Income is the great increase in the amount received through the District Committees in the Area.

During the year Committees were formed in Calderbridge, Distington, Moor Row, Bigrigg, Cleator, Gosforth, Irton, Seascale, Hensingham and Bransty. These, together with those formed last year, have brought in over £700 of this year's revenue. The Augmentation of Income Committee are arranging to have the remainder of the Hospital Area worked by Hospital Committees, and a very considerable addition to our Income from this source can be confidently expected.

Silver Paper collection for the past year has realised the large sum of £25 13s. 5d., as against £6 17s. 9d. last year. Special thanks are due to the Teachers for encouraging the children in their schools to help the Hospital in this way.

During the past year the following legacies were received :

Executors of the late Mr. J. N. Dickinson, Hames Hall, Cockermouth, £500. Mr. Dickinson was an annual subscriber for many years ; also from the Executors of Miss Whelan Whitehaven, £20.

We also received £500 from the brothers and sister of the late Miss M. E. McCowan for the endowment of a cot in her memory, and £1,000 from Mr. R. H. Williamson, Seascale, for the endowment of a bed to the memory of his late sister, Miss A. M. Williamson, Cockermouth, These amounts have all been invested.

During the year the securities representing the bequest of the late Mr. J. W. Marsden were transferred to the Trustees. These are set out on page 44. In addition to the current income, there was also received the dividends which had also accumulated since Mr. Marsden's death, amounting to £257 2s. 9d.

A full list of Donations will be found in the Report, but special reference must be made to the following :—League of Mercy, London, £70 ; Alexandra Rose Day, £188 3s. 2d. ; Mr. R. H. Williamson, Seascale, £50 ; Whitehaven Operatic

* Increase. † Decrease compared with 1927 figures.

The small increase in the Expenditure, viz., £530 19s. 4d., having regard to the great increase in the work done, is a very satisfactory feature.

The total Expenditure exceeded the Income by £224 16s. 10d., but the Committee hope that as a result of the development of the local Committees the income in future years will meet the annual cost of running the Hospital.

Every care is being taken to ensure that the Hospital is being run efficiently and with due regard to economy, and the Committee are satisfied that these objects have been secured.

Details of the work are appended, from which it will be seen that there is a large increase in the number of Patients being treated in the various Departments.

The stay of Patients has been reduced by one day, due to the great benefit they receive from the Electrical treatment and Massage, more particularly in fracture cases. The occupation of beds is the same as 1927, although there have been 188 more-In-patients.

Expenditure amounted to £9,370 5s. 1d. This works out at an average cost of £128 7s. 1d. per occupied bed and a daily cost of 6/7 per patient.

During the past year we have lost through death the following subscribers :—

Mr. W. Stanley, J.P., Calderbridge.

Mr. Robert Steele, Whelpside.

Mr. R. R. Kendall, Commongate, Moresby.

Mr. Henry Hartley, Whitehaven.

Seven regular subscribers have left the district, and 21 did not subscribe for 1928. This leaves us with 444 subscribers at the end of 1928 as compared with 391 at the end of 1927.

Our number of annual subscribers is small compared with other Hospitals of a similar size, and I would earnestly ask all if they can do so to increase their subscriptions and encourage their friends to become annual subscribers.

During Easter week a special appeal was made for eggs and the response was magnificent, as no fewer than 14,500 were received, practically one year's supply ; also an appeal was made for potatoes at harvest time which brought in quite

a large number of bags, and for these the thanks of the Committee are due to all who responded.

The Committee wish to express their thanks for services rendered during the year by the Hon. Consulting Surgeons, Dr. Muriel and Dr. Harris ; the Hon. Surgeons, Drs. Ablett, Henderson, Mackay, Watson, Robertson and V. Harris ; the Hon. Radiologist, Dr. Nicoll ; the Hon. Dental Surgeon, Mr. H. E. Field ; the Hon. Auditors ; the Secretaries of the Ladies' Linen League ; the Collectors ; the Secretaries and Members of the District Committees ; Members of the St. John Ambulance Brigade ; the Press ; the many Donors in kind, magazines and books.

For the first time a list will be found on page 13 showing the districts from which our Patients come.

During the year full use has been made of the very valuable Samaritan Fund. Sixteen Patients have been sent to Silloth Convalescent Home and were greatly benefited, and clothing has been provided for a large number of In-patients who were in want and unable to procure them.

CENTENARY APPEAL.

The Report should not close without a reference to the fact that this year we are celebrating the Centenary of the Hospital.

The Committee have had the matter under careful consideration as to the best way of marking 100 years of successful and beneficial work and they are issuing an Appeal for 100,000 half-crowns with the double object of clearing off the existing debt of £4,467 2s. 10d. and providing a fund to furnish the necessary Income for the upkeep of the Buildings, as this will be a considerable item in the near future.

Already a substantial amount has been received and the Committee are confident that the full sum will be raised. In this way the successful working of the Hospital will be assured and the Committee will be in a position to face any improvements and extensions which the continual increase in the work of the Hospital may demand.

JAMES Mc.GOWAN,

February, 1929.

Chairman of Committee.

Hon. Secretaries & Treasurers { Mrs. H. M. HALLIWELL.
 Mrs. I. M. GRAHAM.

The Annual Meeting was held on Thursday, December 13th, 1928, in the Hospital. The Chair was taken by Mr. J. Mc.Gowan, Chairman of the Hospital.

Apologies for absence were received from Lady Lonsdale, Mrs. Muriel, Mrs. Grice, Mrs. Gunson, Mrs. Mc.Gowan, Mrs. Ormrod, Mrs. Armstrong, Miss Armstrong, Lady Lewthwaite, Mrs. Johnstone and Mrs. Henderson.

There were 145 Vice-Presidents, Associates and friends present. Subscriptions this year were up by £8 on those received last year, while there was a record collection of useful articles of linen—1,408 in all—the value of same being, approximately, £143. They were all on view in the Sewing Room.

The Balance Sheet was read and passed unanimously on the proposition of the Chairman. A vote of thanks was passed to Mr. A. Victor Halliwell for having audited the accounts.

On the proposition of Mrs. Smith, seconded by Mrs. Adair, the Executive and General Committee were re-elected *en bloc*.

During the year Mrs. J. Graham was appointed Hon. Joint Secretary and Treasurer with Mrs. Halliwell.

The resignation of Mrs. Armstrong from the Executive Committee, and Mrs. Walker and Mrs. Steel from the General Committee, were received with regret.

The following new Vice-Presidents were elected during the year. Mrs. Hunter Parker (Arleedon), Miss Armstrong (Wasdale and Netherwasdale), Miss Walker (Seascale), Lady Lewthwaite (Millom).

The Committee are pleased to state that Arleedon, Millom and Ennerdale districts have now joined the League and become active workers.

The work of the League during the year was considered quite satisfactory. A welcome addition to our income being a sum of £41 12s. 10d., the result of a successful Daffodil Day being held in March 30th; also a sum of £55, the result of the four stalls at the Garden Fete, on June 30th.

A special vote of thanks to the Chairman for the very clear and interesting statement of the financial position of the Hospital concluded the meeting.

The Executive Committee wish to thank all the Vice-Presidents and Associates for their generous help during the year, on Daffodil Day, Alexandra Rose Day and in all work in connection with the League.

Tea was served in the Dining Hall.
